Projects

Secure Payment & Donation Management System | NSS IIT Roorkee — January 2026

- Engineered a secure, full-stack Donation and Payment Management System tailored for NSS IIT Roorkee to streamline fundraising for social initiatives.
- The platform features an automated donor tracking system, role-based administrative controls, and secure payment gateway integration. Built with a focus on data privacy and transaction security, the system utilizes server-side validation and webhooks to prevent tampering, while providing automated financial logging for transparent auditing.
